**OPEN COMMENT SESSION**

# PURPOSE

- CYFAR Stakeholders will provide comments which possibly will assist with the Program/RFA.
- The session is open to any Land-grant partner.

# LISTENING SESSION

- Open Comment Session, there will be no specific question(s) asked of participating Stakeholders.
- Your information informs our process and potential program change.
- Please share your concerns and issues related to the overall program, the RFA, and generally any aspects of the program.
- Each person will have up to 2 minutes to express their comments.
- Please remember to mute your phones when you are not talking.
- As with past years, significant information will be compiled in themes and placed on the NIFA website.

# OPEN COMMENT SESSION BEGINS

- Please share the following before speaking (up to 2 minutes):
  - Name
  - University
